

## Sample Extemp Topics

November 21, 2005

1. Xbox360: Pure hype or Playstation killer?
2. Will the public rebuke and recall of Sony's XCP CDs cause competitors to re-examine Digital Rights management?
3. Will the cold congressional reception to Rep. John Murtha's withdrawal from Iraq proposal hurt incumbents in the 2006 elections?
4. Is American disillusion with the war in Iraq feeding isolationism?
5. Does the decision by Ariel Sharon to leave the Likud party and start Kadima represent a fundamental shift in his politics?
6. Opening the crossing at Rafah: Another stop on the "road to peace" or just a path towards another dead end?
7. Would the death of Abu Musab al-Zarqawi make any difference in the insurgency in Iraq?
